WELT TWITTER PROMOTED TWEETS

Keep it short & simple
Twitter Promoted Tweets are brief messages with short text in combination with images or a video.

WELT as a strong partner for your tweets
WELT as a sender stands for credibility and being up-to-date. The WELT Channel has over 1.3 million followers and posts an average of over 4,000 tweets per month. It reaches about 40 million impressions, which makes the site an ideal partner!

Decision-makers on Twitter
The Twitter target group consists of rather older, especially male and educated persons. Of the 12 million users in Germany, over 50% are between 40 and 65+ years old. So you can reach more people with a high household net income and decision makers.
