## Your product versatile and impressively placed

- The Cube Ad consists of 4 pages in cube design, which automatically switch to user interaction (mobile).
- You have the possibility to link each page individually with a landing page.
- We create the advertising material in consultation with you - all we need are 4 campaign images as png or jpg. Please note the dimensions of the respective advertising material.
- Put one or more of your products in different formats, such as billboard or skyscraper in a meaningful way - you have the choice:
