The selected desktop-, as well as both mobile formats (lead ad + main advertising medium) are relevant for guarantee and billing. If lead ad is not delivered, the selected mobile main advertising formats will be delivered on the booked day as first contact placement in RoS, in order to achieve the booked guarantee amount.

- 1) FC1, a reminder billboard remains | A billboard is required for tablet | With video wall, the video loops only once | Other reminder advertising media upon request | Cinematic Ad: No additional background colouring possible
- 2) Not playable inApp, an additional medium rectangle is required
- 3) Targeting options: Regional, Socio | Regio Targeting only desktop & MEW possible | A creative pool adapted to targeting areas (up to 1,500 creatives) can be created automatically | A neutral fallback advertising medium is required for APP
- 4) Basic = Not bookable: Double Dynamic Sitebar; Additionally bookable: Lead Ad (2:1), Mobile Understitial | Deluxe = Not bookable: Cinematic Ad, Content Ad 1:1, additionally bookable: Image Reveal Ad, Curtain Dropper, Lead Ad (4:1 / 6:1), Lead Ad Sticky

Standard advertising formats must be available 3 days before going live, special advertising media at least 5 days. In the event of underdelivery, Media Impact reserves the right to use inventory in an affine channel or in ROS (desktop and/or mobile) for subsequent delivery. All rates (unless otherwise stated) are to be understood as CPM rates or fixed prices. All rates plus VAT, where applicable. Agency commission is granted to media-buying agencies, as recognised by Media Impact. | Subject to alteration and printing errors | Technical specifications can be found under this link: <https://www.mediaimpact.de/en/digital-formats>
