

EDITORIAL ENVIRONMENTS 2024

THE HIGHLIGHTS OF THE COMPUTERBILD CONTENT

impassioned by

media **impact**—

THE BEST BUYING GUIDE

COMPUTER BILD accompanies its readers in the ongoing digitalization of everyday life. As a trusted and strong brand, it confidently provides clear recommendations and assessments of technology trends. PCs, notebooks and smartphones only define their roots, not their limits. Instead, COMPUTER BILD looks at all aspects of the networked world and reports on smart kitchen appliances, connected cars, energy policy and software.
