80 years – and not a single day without WELT!
In 2026, WELT celebrates its 80th anniversary and invites brands to become part of a unique journalistic journey through time.

Starting April 2, one of 80 anniversary articles will be published each day, each retelling a year since 1946 — curated by an editorial team that has shaped public debate for eight decades.

Two exclusive anniversary offerings turn this environment into a powerful brand moment.
